Public Records Request	P006285-120618	12/6/2018	Mitch Puin	Hi - Our Neighborhood group, [REDACTED] Neighborhood Watch, would like to see the number of traffic violations for [REDACTED] over the last year. Our assumption is there are very few citations issued, speeding or otherwise, because it's a few blocks that rarely, if ever, see a police car. We're working with the schools on the street to create a safer street for children.
Public Records Request	P006294-120718	12/7/2018	Allan Blutstein	Records indicating whether any crimes have occurred or been reported at any of the commercial establishments listed in the attached document.
Public Records Request	P006299-120818	12/8/2018	William Ferrell	I would like to make a request to get access to the following information: 1. Every photo used by the Automatic License Plate Recognition system in 2015-2018. Please include as large an area of San Francisco as possible. 2. Every license plate scanned, location and timestamp in 2015-2018. Please include as large an area of San Francisco as possible. 3. A log of each car (license plate) scanned at San Francisco International Airport using the FasTrak System in the 2015-2018 timeframe 4. A list of each of the locations in which FasTrak can be automatically scanned (for example at SFO, at bridges, throughout the city, at various parking locations). 5. The logs from each of these locations for what car (license plate was scanned, at which location at what time). Again in the 2015 - 2018 timeframe. 6. A list of all records in which the car with California license plate [REDACTED] has been captured through any form of monitoring. Thank you! - Bill

Public Records Request	P006344-121618	12/16/2018	Peter Mancina	<p>all documents in the San Francisco Police Department's possession pertaining to any 287g agreements the SFPD may have been or still is party to beginning as early as June 2015 and as late as October 2016, or arrests that SFPD employees, sworn and unsworn may have participated in with 287g officers that were SFPD officers or officers of another local police department or law enforcement agency made for the purpose of enforcing immigration law from June 2015 until October 2016. Background on the request: Through civil lawsuit to enforce FOIA laws, the Syracuse University Transactional Records Access Clearinghouse (TRAC) obtained month by month data on Immigration and Customs Enforcement arrests by county, state, month, fiscal year, and type of apprehension through May 2018. ICE statistics show that they made two 287g-program related arrests in San Francisco county/city - one in July 2015 and one in September 2016. The data can be viewed on TRAC's website here by toggling the first drop-down menu to "California", the second to "San Francisco" and the third to "287g": http://trac.syr.edu/phptools/immigration/arrest/</p>
Public Records Request	P006382-122018	12/20/2018	Darwin BondGraham	<p>Per the California Public Records Act, I am seeking records in possession of the San Francisco Police Department related to two new state laws that come into effect in 2019: SB 1421 (requires disclosure of certain police personnel records) and AB 748 (requires disclosure of body camera videos in critical incidents). Please provide the following types of records: 1. Any and all policies, guides, tutorials, orders, memos, emails, or other types of records which explain how police records personnel and/or other city staff should fulfill records requests under the laws' new requirements. 2. Any and all communications from the San Francisco Police Officers Association, or any representative of SFPOA (such as the union's attorneys) to SFPD administrators, that concerns SB 1421 and/or AB 748. Please search for records of communications sent or received between February 1, 2018 and the present date. 3. Any and all documents which discuss the potential fiscal impact of SB 1421 and/or AB 748 on the city and/or police department. 4. Any and all documents which discuss the potential impact on city and/or SFPD staffing, resources, and time due to implementation of SB 1421 and/or AB 748. 5. Any and all documents which discuss the potential legal impact on the city due to SB 1421 and/or AB 748 implementation, including potential lawsuits resulting from the release of records. 6. Any and all records of trainings conducted by or for SFPD regarding the implementation of SB 1421 and/or AB 748.</p>
Public Records Request	P006387-122118	12/21/2018	Sam Taneyhill	<p>I'd like to request a copy of the following public records: A copy of all arrest reports, officer narratives, CAD reports videography, booking or intake photography, calls for service, or requests for protective orders related to the following address: [REDACTED] I am requesting that all of the responsive records that are available in electronic format be provided electronically. I would request that those that are in paper format be scanned and provided on a CD-ROM diskette in lieu of photocopying. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$250. The Pennsylvania Sunshine Act, requires that you "promptly produce" the requested records unless, within 10 days, you have sought an Attorney General's Opinion. If you expect a significant delay in responding to this request, please contact me at [REDACTED] with information about when I might expect copies of the records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for considering my request. Sincerely, Sam</p>
